Hi Rebecca:

No worries. I didn't have anything other than to confirm that I am looking forward to joining my team on the upcoming trip (still being scheduled, I think) to St. Paul to discuss the RES issues. Not sure if my Branch Chiefs (copied hereon), have any issues but I'm happy to chat with Glenn on his issue at 3:00 using the call-in number provided below.

Tx.

Chris, sorry for the late notification, but I have an issue that has just arisen and I need to miss our 3PM call. I do know that Glenn Skuta, our Watershed Division Director was planning to call in with an issue to discuss with you. If you all have several other items for us, then we should perhaps reschedule. Again, my apologies for being pulled away.
